# *Introduction*

In comparison to previous times we can say that today a new name came in front of us that is NCC (National Cadet Corps).

Today it is not just a name it is a introduction of new welfare team which helps for all the citizens.

We can say that it is established on 1948 but compare to this times it is more popular than past times.

It's power come from its slogan "Unity & Discipline".

The Head Quarter of NCC is in New Delhi.

Students are excited to join the NCC because it is a type of Semi-Army inwhich cadets are receive training by seniors and (P.I) Parade instruction staffsfor Military or Police Services.

Our P.I staff gives all their efforts to us to taught the parade instruction because there is a big importance of parade.

We all get the opportunity to perform parade in RDC (Republic Day Camp) in front of V.V.I.P like Prime Minister ,Home Minister ,Army Cheif & so many popular personality.
