**Online Education**

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	The College made good use of the COVID situation by shifting to online mode of teaching and functioning. Just after the middle of March 2020 some teachers of the College started online teaching on Google with a fair amount of success. In June 2020 when the College office resumed functioning, a review meeting of online classes was organized in four parts, not involving more than ten teachers per day with norms of social distancing followed strictly. It was realized that online classes was already a very successful programme with the students, so there was need for giving it a proper structure and the teachers needed to be made aware about the details of web classes. Four workshops were conducted by a very knowledgeable teacher of the College for all the teachers and a time-table was prepared with a unanimous decision that all teachers will work on Google Classroom and Google Meet. Online classes have proved to be a huge success in the College, with more than seventy five percent of the students connected. Even internal examinations have been conducted online. Many guest lectures of high quality and webinars have been conducted by the teachers during this period. Weekly feedback sessions are in place, and the report has been updated in the College website. This would perhaps be Corona gains for the College. The functioning of the library has undergone a serious change. Automation, using the ILMS, use of e-journals and books and providing remote access to the teachers and students has been tried and achieved. The College has subscribed to INFLIBNET under the UGC scheme. Video conferencing facility has been created for conducting virtual learning. There are four rooms which have ICT infrastructure so as to make it possible for the teachers to engage their online seminar classes.		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	3
