

Department of Computer Science, BCA

Report on Teachers Day

Date: - 05-09-2022

On Monday, 5th September 2022, the students of DOVS:BCA celebrated the occasion of Teacher's day in the ground floor of the department. The event was fun packed with several activities for teachers. The event started with the paying the homage to Sarvepalli Radhakrishnan followed by lamp lighting ceremony. Further, Arsalan from sem-4 delivered a speech on the relevance of the Teacher's day. Girls from sem-1, sung a beautiful group song which mesmerised the audience. Also, all the teachers present in the programme shared their views on student teacher relationship and how they really cherish being a teacher. The event was well executed by the sincere efforts from the students. Finally, the teachers were asked to play some games which really added fun to the moment. All the teachers from the department and around 80 students were present on the occasion.

The teachers who were present include -:

- Dr Ranjana Das Prof-in-charge, Girls' Wing
- Prof Pushpa Tewari, Coordinator, BCA
- Prof Uday Sinha
- Prof Manisha Kumari
- Prof Hamda Imam
- Prof Kalyan Paul
