

# SWOC Analysis

## Strengths

- Supportive Management
- Qualified and dedicated teachers
- The Dept actively engages in organizing seminars and guest lectures.
- PTM for honest feed back
- Toppers and achievers are felicitated and rewarded on 26th Jan every year
- All the faculty members are actively involved in research work.

## Opportunities

- Students have better chances of success in various competitive examination
- Students can opt for Archeology and Archive as their subjects of specialization which offer opportunities of research and employment.
- Students can make a career in Teaching profession and go for research after P.G.
- 

## Weakness

- The syllabus needs regular upgradation to make the courses more relevant and attractive
- Drop out rate of girl students is comparatively high due to socio economic reasons

## Challenges

- To make the marginalized students proficient in languages skills.
- Provide more job opportunity to the students through placement cell of the college.
