### About the College

Guru Nanak College, Dhanbad (A Sikh Minority Degree College) was Established by the Gurudwara Prabandhak Committee in 1970 to mark the fifth Birth Centenary of the great Guru after whom this college is named. The college is managed by a Governing Council nominated by the Gurudwara Prabandhak Committee, Dhanbad, and draws its inspiration from the teachings of the faith propounded by Guru Nanak Devji.

Initially the college got affiliated to the Ranchi University – Ranchi since 1970 the year it was started, after that to Vinoba Bhave University, Hazaribag. But with the passage of time, Binod Bihari Mahto Koylanchal University, Dhanbad came into existence in 2017; and the affiliation of the college got transferred to this new University in 2017. At present, the college has got permanent affiliation with Binod Bihari Mahto Koylanchal University, Dhanbad in the faculties of Humanities, Social Sciences, commerce and such vocational courses as Bachelor of Computer Applications & Bachelor of Business Administration. The college has got “Deficit Grant College Status” by the government of Jharkhand. Also the college is registered u/s 2F and 12B of the UGC Act. College has completed second cycle of NAAC Accreditation with grade 'B' The main aim and objective behind sponsoring this college was to impart value - based teaching to the young men and women of Dhanbad. The college attaches great importance to moral teaching. The college does not merely offer teaching in such subject as would enable young students to earn their bread and butter, but it also emphasizes grooming them into worthy (morally sound) citizens.

### About the seminar

Aatmanirbhar Bharat, an ambitious mission of Hon'ble Prime Minister Shri Narendra Modi ji, who always insists upon imparting of skills as a key element of the modern education

system. The Government of India is bringing a series of reforms in almost all sectors to usher in constructive changes and thus pave the way for building a strong and progressive nation. Education, being one such sector, has seen remarkable developments in the past five years. Atmanirbhar Bharat Abhiyan was highlighted on India's 72nd Republic Day (2021). Department of Biotechnology showcased COVID-19 vaccine development process in their tableau. Atmanirbhar Bharat Abhiyaan or Self-reliant India campaign is the vision of new India envisaged by the Hon'ble Prime Minister Shri Narendra Modi. On 12 May 2020, our PM raised a clarion call to the nation giving a kick start to the Atmanirbhar Bharat Abhiyaan (Self-reliant India campaign) and announced the Special economic and comprehensive package of INR 20 lakh crores - equivalent to 10% of India's GDP – to fight COVID-19 pandemic in India. The aim is to make the country and its citizens independent and self-reliant in all senses. He further outlined five pillars of Aatma Nirbhar Bharat – Economy, Infrastructure, System, Vibrant Demography and Demand. As a Nation, we have progressed remarkably during these 75 years, particularly these 7-8 years. As per International Monetary Fund (IMF) India is now the 5th largest economy in the world by nominal GDP and third largest by purchasing power parity (PPP). At this crucial juncture, when the road ahead offers many opportunities and poses many challenges, we lay special emphasis on some vital elements to unleash the full potential of our Nation.
