Internship in BCCL, Pantaloons and Tata Motors

• Internship is a compulsory part of BBA Curriculum which has to be ensued by the students in their 4th semester and the reports are submitted at the end of the 6th semester followed by a viva voce. So, keeping pace with the industry trend and demand. The students are provided with hands-on experience and training in public sector enterprise as well as in private industry

• Duration: 45 working days: 6 weeks • Participants: 10 BBA students

About the Organizations

Bharat Coking Coal Limited

BCCL was incorporated in January, 1972 to operate coking coal mines operating in the Jharia & Raniganj Coalfields, taken over by the Govt. of India on 16th Oct,1971 to ensure planned development of the scarce coking coal resources in the country. It is a Public Sector Undertaking engaged in mining of coal and allied activities. It occupies an important place in as much as it produces bulk of the coking coal mined in the country.

Pantaloons

Pantaloons Fashion & Retail, one of the top clothing brands in the world, is India's fastest growing premium lifestyle company. With innovative designs, concepts and products, the company brings the latest trends in fashion and clothing styles to the apparel market. Pantaloons, previously controlled by the Future Group, has been recently taken over by Aditya Birla Nuvo Limited, a US \$4 billion premium diversified conglomerate and India's largest manufacturer offline fabric

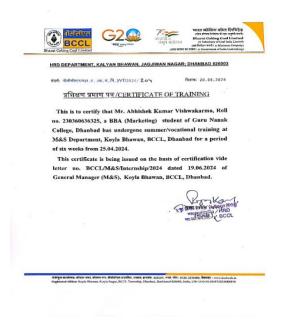

Vedant Motors

Tata Motors is the leading automobile manufacturer in the commercial vehicles' division across India. With the vast experience of over 75 years in the automobile industry, Tata Motors has globalized its base in various continents. This experience has led the company to be customer centric and improve the customer satisfaction index among all the commercial vehicles manufacturers across the country. This had led to an expanding customer base and an increase is the use of Genuine Parts. With the highest market share in commercial vehicles, Tata Motors has over 500 vehicle dealers in the country and dedicated 65 spare parts distributors to cater the after-market demands.
