Successful Completion of Bajaj Finserv's Certificate Programme on Banking, Finance and Insurance

In the month of April, 2025 a MoU was signed with the Bajaj Finserv CSR Initiative for the training and Placement of our students. Withstanding that, a Certificate Programme was launched in the month of May this year. The training was conducted in blended mode by 3 different teachers from across India.

On 23/09/2025, certificates were distributed to 48 students of Semester 6 session 2022-26 (from various departments) on successfully completing the Bajaj Finserv's Certificate Programme on Banking, Finance and Insurance at the RUSA Seminar Hall of Bhuda Campus. This 120-hour course prepared students for employment by providing education relevant to today's environment and market. Students were provided with information about the banking, insurance, and finance sectors, offering potential employment opportunities in numerous multinational companies. The program was conducted under the direction of Principal Dr. Ranjana Das.

Two students namely Anushka Kamlesh and Reshmi Kumari among the above students were bestowed with the Class Captain certificate. Besides this many students also attended the HR workshop and were felicitated with a separate certificate.

The certificates were distributed by Professor In-Charge (Bhuda Campus) Prof. Dipak Kumar, Prof. Sanjay Kumar Sinha, and Prof. Piyush Agarwal, along with Ajay Kumar, Program Officer for Wagons Learning, Jharkhand (the training partner of Bajaj Finserv CSR Initiative). Bajaj Finserv's College Coordinator, Prof. Sanjay Kumar Sinha, stated that the second batch will begin in the first week of October, and its registration has begun. Prof. Amarjit Singh, Prof. Daljeet Singh, faculty members, and non-teaching staff were present at the event.
