Class Seminar Report: Semester 2 (Session 2024–27)

Date: August 23, 2025

Continuing its tradition of fostering student growth and holistic development, the Department of BCA organized a Class Seminar for Semester 2 (Session 2024–27) on August 23, 2025.

The seminar was conducted under the esteemed guidance and mentorship of our respected faculty members – Prof. Pushpa Tewary, Prof. Uday Sinha, Prof. Sony, and Prof. Priyanka. Their encouragement, insightful supervision, and constant support added immense value to the program, motivating the students to actively engage and showcase their talents.

The primary objective of the seminar was to promote teamwork, effective communication, and presentation skills among students while enhancing their overall learning experience. It provided a platform for students to exhibit their research abilities, creativity, and confidence through collaborative presentations.

The event was compered by Bhumi Mishra and Manisha Tiwari, who ensured smooth coordination and seamless transitions throughout the session. A total of 39 students participated, divided into seven sub-groups, each assigned a specific theme and topic. Every group's presentation reflected thorough research, conceptual understanding, and innovative thinking.
