

## **Report on**

### **Parent-Teacher Meet by the Department of Economics**

**Date:- September 2, 2025**

**Venue:- Rusa Seminar Hall, Bhuda Campus**

The Department of Economics at Guru Nanak College, Dhanbad successfully organized a Parent-Teacher Meet at the Bhuda Campus. The program aimed to strengthen communication between parents and faculty members regarding students' academic progress, attendance, discipline, and participation in co-curricular activities.

Around 70 students with their parents attended the event, reflecting strong parental involvement and trust in the department's academic initiatives. The Principal, Dr. Ranjana Das, addressed the gathering and emphasized the importance of regular class attendance along with active participation in library activities, NSS, NCC, sports, cultural programs, seminars, job fairs, and spoken tutorial sessions for the holistic development of students. During the session, parents and students filled out feedback forms provided by the department, sharing valuable suggestions related to academics and student welfare. Parents appreciated the well-organized academic environment and the smooth functioning of departmental activities.

Dr. Sadhana Singh, Department of Economics, welcomed the guests and shared insights into the department's academic policies and ongoing initiatives. Prof. Deepak Kumar, Professor-in-Charge of Bhuda Campus addressed the gathering and offered guidance regarding students' annual academic progress. The program concluded with a formal vote of thanks.
