

# Report on Blood Donors Felicitation Programme

**Date:** 24th March 2026

**Venue:** SNMMCH, Dhanbad

On 24th March 2026, SNMCH, Dhanbad organized a **Blood Donors Felicitation Programme** to honor institutions and organizations of the city who have consistently contributed to voluntary blood donation through regular camps. The programme was aimed at acknowledging the collective efforts that have played a vital role in promoting humanitarian service and saving lives.

As part of this, **Prof. Pushpa Tewari**, Coordinator, Department of BCA and Moderator of the Rotaract Club, Guru Nanak College, Dhanbad, was invited and felicitated by Dr B K Pandey of SNMCH, for her consistent and dedicated efforts in organizing blood donation camps. Under her leadership, the Rotaract Club has successfully conducted several drives, motivating students to participate actively and ensuring that each camp was carried out with proper medical supervision and in a safe environment.

The felicitation highlighted the importance of collaboration between educational institutions and healthcare organizations in fostering a culture of service. SNMCH authorities expressed their appreciation for Guru Nanak College's contribution and extended gratitude to Prof. Pushpa Tewari for her commitment to humanitarian causes.

The event reinforced the message that regular blood donation drives not only save lives but also nurture values of compassion, responsibility, and community service among the younger generation.
