in collaboration with

ICMAI, Dhanbad Chapter, Saraidhela

Sponsored By

**Jharkhand State Higher Education Council,
 Department of Higher & Technical Education,
 Government of Jharkhand**

CONCEPT NOTE :

India's taxation system has undergone a major transformation with the introduction of GST in the year 2017 and subsequent GST 2.0 reforms on September 2025. These reforms aim to rationalise tax rates, reduce compliance burden, enhance transparency and promote a business-friendly environment. Recent changes announced by the Government of India through official notifications and PIB releases focus on simplification of return filing, automation of compliance processes and reduction in litigation.

In this context, the proposed workshop serves as an important capacity-building platform for stakeholders to understand both the conceptual framework and practical application of GST reforms. Participants will benefit from expert-led discussions, case studies and interactive sessions that translate policy changes into actionable strategies. The workshop will help participants strengthen compliance capabilities, improve decision-making and leverage GST reforms to enhance business efficiency and competitiveness.

Objectives of the Workshop

- To provide insights into recent GST 2.0 reforms and their implications for businesses.
- To enhance understanding of GST compliance procedures and digital filing systems.
- To examine the role of GST reforms in improving ease of doing business.
- To assess the impact of tax rationalisation on the overall economic growth and development
- To build understanding among MSMEs, Industries, Professionals, Faculty and students.
- To promote dialogue between academia, industry and policymakers.

Sub-Themes

- GST 2.0 Background and Reforms Introduced
- Reforms in Ease of Doing Business
- Registration and Simplification GST Compliance, Management and Reforms in Digital Platforms
- GST Refund, Return and Litigations Procedures
- Economic impact due to tax rate implications

ABOUT OUR WORKSHOP

The National Level Workshop on "GST 2.0 : Reforms, Compliance and Ease of Doing Business in Jharkhand" aims to provide participants with comprehensive insights into the evolving Goods and Services Tax (GST) regime in India. The workshop focuses on recent GST 2.0 reforms, compliance mechanisms, and policy initiatives intended to simplify taxation and improve the ease of doing business, particularly for MSMEs and service sector enterprises.

The workshop will bring together academicians, GST practitioners, industry professionals and policymakers to deliberate on compliance best practices, digital filing systems, rate rationalisation, and dispute resolution mechanisms. Through expert talks, interactive sessions and practical discussions, participants will gain actionable knowledge relevant to real-world business and academic contexts.

WHO SHOULD ATTEND

- Faculty Members and Researchers Industry
- Professionals and Entrepreneurs MSME Owners
- Tax Practitioners Government Officials
- Research Scholars and Postgraduate Students

About Dhanbad

Dhanbad, often referred to as the Coal Capital of India, holds a unique place for its significant industrial and educational contributions. Established as a district on 24th October 1956, Dhanbad is known for having the largest reserves of coking coal in the country. It is home to major coal mining activities conducted by Bharat Coking Coal Limited (BCCL) along with other subsidiaries of Coal India Limited. It also is embellished with the Directorate General of Mines Safety. Beyond its industrial prowess, Dhanbad is celebrated for its academic excellence. It houses the esteemed Indian Institute of Technology (Indian School of Mines), Dhanbad (IIT-ISM), a globally recognized institute for engineering and applied sciences. It also hosts the Central Institute of Mining and Fuel Research (CIMFR), a premier and only research institution contributing to mining and energy sectors. Additionally, Binod Bihari Mahto Koyalanchal University (BBMKU), Dhanbad, serves as a vital hub for higher education in the region.
